

# Little Van of Warm

Installing small  
energy saving measures  
to help Lancashire  
residents stay cosy

Call us now to speak to a friendly advisor

## How do I qualify?

You qualify for the service if you are one of the following:

- Your household income is less than £36,000 per year (consideration will be given if your income is above this threshold in exceptional circumstances - contact the team to discuss these circumstances)
- You are over 70 years of age
- You are in receipt of means tested benefits

## What measures can I have?

The service provides a whole range of low-cost measures including:

- LED Light Bulbs
- Hot Water Tank Jackets
- Draught-proofing
- Draught Excluders
- Radiator Panels
- Energy Advice
- And so much more

Whilst we are in your home we can do a quick assessment of your property and if we think your property would benefit from larger measures, such as loft insulation, we can refer you to some of our other schemes.

## How do I apply?

You can apply on the Cosy Homes in Lancashire website: [www.chil.uk.com](http://www.chil.uk.com) or contact the team on **0330 1110 070** to apply over the phone or request an application form.
